

Winter 2021, Spring/Summer 2021 Ford Community Corps Program Nonprofit Application

The Ford Community Corps program is designed to match student talent with local nonprofit needs to tackle complex, community problems. In partnership with Ford Fund, colleges and universities develop service learning initiatives that allow students to use the practical skills and knowledge they have gained in a real-world setting. The goal of the Ford Community Corps program is to create real value for both the students and the nonprofit organizations involved. Students gain insight and hands-on experience in career fields and are exposed to the significant roles and responsibilities posed by civic engagement.

Describe your organization:

Proposal Details

Do you have a project that could benefit from, or be completed by, the involvement of college student participants?

Yes

No

If so, what is the project title:

Please explain the project's goals as well as what elements of the project could use (or be impacted by) student participants:

What is the specific, intended outcome or result that you are aiming to achieve?

Maximum number of students the project can involve. Would a class be able to work on this? Projects should be for a group of students, not just one.

What areas of study or college majors do you think would provide the most value as it pertains to completing your project and/or achieving your goals?

If students will be meeting in person, please include details about safety precautions that will be taken; if they're doing this project virtually, please describe how you will connect with them:

During which semester do you envision that this project will be completed? If it is a longer project, how long do you envision that it will take to accomplish?

If you have an existing Ford Community Corps partner university that you intend to work with for this proposed project, please identify below, including details about the project's continuation and planned impact:

Participating Schools:

College for Creative Studies
Eastern Michigan University
Madonna University
Michigan State University

University of Detroit Mercy
University of Michigan- Ann Arbor
University of Michigan- Dearborn
Wayne State University
