

West Tennessee Capital Grants Program Requirements

Program Guidelines

- For the purposes of this program, we define capital as physical infrastructure, construction of new and/or renovated space, and related equipment purchases. We will not consider endowment funding as a part of this program. Vehicle purchases will also not be considered.
- Due to the limited nature of funds available, **the grants to be awarded to an organization will range from \$25,000 - \$100,000. Multiple-year commitments will not be made at this time.**
 - *The Capital Grant Program is only open to U.S. based 501c3 Nonprofit organizations, municipalities, and non tax-exempt organizations doing work in the following areas in West Tennessee: Haywood County, Fayette County, Tipton County, Lauderdale County, Shelby County and Madison County. If your organization is a municipality or not tax-exempt, United Way of West Tennessee can assist with the application process.*
